

basketweave series

The Tile Mob is now showcasing an exciting new range of basket weave tiles in our [Brisbane tile shop](#). This series of Italian porcelain mosaics will provide **impact with elegance** whenever a black and white theme is required. Whether you combine the matching 47x47mm square mosaics as a perimeter infill or apply the basketweave pattern fully to the entire floor without bordering, your project is sure to inspire. Used from Victorian times though to the Art Deco period, basketweave mosaic tiles are now making a resurgence in numerous quality, designer projects around the world.

Basketweave mosaics can be co-ordinated with our range of [white subway wall tiles](#), and feature a matt-finish, nonporous glazed surface. Historic or modern houses, restaurants or bars can all benefit from a 'touch of basketweave'!
